

Have you already registered with another club in the last three years (whether you've renewed this year or lapsed)? If so, you'll have to complete a 'Change of Club Request'. It'll cost you £10.

Scan this QR code to access your England Athletics portal.

Once you've logged in (Can't remember your URN? Ask one of us to find it for you.), there's an option on the left for 'Club Transfer'. Click that, and the rest should be fairly clear.

The new Club is registered as 'Goring RRC', with Bryan Darney's contact details.

Your previous club then has 28 days to 'release' you but will hopefully be much quicker than that. Once it's been processed, you'll receive an email from England Athletics saying that your transfer has been completed.
