

EGM Outcomes

Club Name

After a lengthy discussion, we couldn't agree on a new Club name.

It was agreed unanimously that the name would not be "Goring Road Runners"; that a new name was needed.

General acceptance that a decision needed making quickly, so that we can come together, promote ourselves, and move on.

Members have until midnight Friday night (20th October) to send Charles their suggestion of Club name, which he will collate. (Maximum one nomination per person.)

Club Colours

After hearing the top two in the survey were 'Black and pink' and 'Black and fluoro yellow', those present chose unanimously to honour the result of the survey. This was revealed to be black and pink.
