

Gazelles' Club Survey

Your responses will not be anonymous, simply so that we can follow-up with you about any suggestions you make or issues you raise. However, any comments or responses you make will be anonymised before anybody outside of the Club Committee see them. You can also ask for specific answers to be private. We aim to be fully transparent with our results; and we will share them (anonymised) with all members.

This survey will close at 11.59pm on Saturday, 30th November.
